

## Qualitair&Sea now in Germany

Jan 23, 2018

We are pleased to inform you that Crystal Group, the parent company of QUALITAIR&SEA, has concluded the acquisition of FM Overseas which was the result of a strategical spin off from the forwarding industry by FM Logistics Group. This acquisition is indicative of the Crystal Group commitment to be established in the biggest markets in Europe and will also enable QUALITAIR&SEA to offer its services on a European level.

The addition of the new German offices, namely Hamburg, Düsseldorf, Frankfurt and Stuttgart to our company's existing infrastructure will provide our customers and overseas partners with enhanced services capabilities along with the additional benefit of local and global expertise.

QUALITAIR&SEA Germany GMBH will have a nationwide coverage and will be able to serve all Air and Sea ports, with expertise across a wide range of Vertical Segments in order to address the diverse needs of its clients and agents. Our principal vertical segments include Automotive, Pharmaceutical, High Tech, Aerospace, Time Critical and General Cargo.

Established in 1986 as a Freight Forwarder, QUALITAIR&SEA [www.qualitairsea.com](http://www.qualitairsea.com) has evolved into a global logistics provider, offering diversified freight, customs and logistics. QUALITAIR&SEA provides a wide range of services including International Freight Forwarding, Customs Brokerage, Contract Management, Supply Chain Management, Warehousing, Distribution and Consulting Services.

I want to take the opportunity to thank you for the support given to our offices in France, Morocco, Turkey and Brazil as we are looking forward to expanding our cooperation to QUALITAIR&SEA Germany.

Best Regards,  
Joel GLUSMAN  
President & CEO
